

*We are excited to have you back to play golf! Of course, our #1 priority is to ensure the safety and well-being of our patrons, staff and community. We are taking every precaution for you and wanted share some of our guidelines for re-opening.*

1. Reservations may be made online or by phone. Online reservations are now available on our website at <https://www.hiltonbuffalothunder.com/golf.html>
2. You may also call 505-455-9000 ext. 8 to reserve your tee time. We request that golfers pre-pay for their round. Online payment options will be available soon. **If you pay in the golf shop you will be required to wear a face covering. Any golfer that enters the clubhouse is required to wear a face covering.**
3. Tee times will be scheduled every 15 minutes. Be on time please or your reservation may be bumped to next available.
4. Only 4 golfers per reservation – *max!* Golfers must follow social distancing guidelines by staying 6 feet apart at all times. This is very important around the putting greens and on the range. Those from the same household and those who drove together may use the same golf cart.
5. Walking rates are available but you must bring your own push cart.
6. Golfers must handle their own golf bags, balls and clubs.
7. Our cups are inverted. Do not touch the flagsticks. Rakes will be removed from the bunkers.
8. The practice range will be open but *time on the range will be limited to 10 minutes to warm-up* before you tee off. *Each golfer will receive a small bucket of balls for practice purposes, courtesy of TOWA.*
9. **Longer practice range use of up to 30 minutes will require reservations in advance.** Call 505-455-9000 ext. 8 to book your range time.
10. The golf shop will close at 3:30 p.m. 18 hole tee times are available until 1:30 p.m. Between 1:30 and 3:30 p.m., golfers may only play 9 holes.
11. All carts will be sanitized before and after play which is why we will be closing early in order to sanitize all golf carts before the next day's round.
12. Feel free to bring your own personal sanitizers and wipes for an additional level of hygiene.
13. Bathrooms in the clubhouse will be open and sanitized every 3 hours. Bathrooms on the course are closed. Water jugs on the course will be removed.
14. The restaurant is closed for dining. A beverage cart will be considered in the future.
15. Bring your own water, food or snacks and **non-alcoholic** beverages. Alcoholic beverages and pre-packaged snacks are available for purchase in the bar area. *It is against the law to bring alcoholic beverages from outside TOWA to the golf course.*

16. We will have a starter *every day* to monitor cart usage and social distancing.
17. Upon finishing your round, **please clean out your cart completely, including scorecards, pencils, empty cups, cans, snack wraps and other items.** Everything **MUST** be removed from your cart prior to leaving. Large trash receptacles will be placed outside to dispose of these items.
18. Golf instruction and club fitting will be available on an individual basis and will follow strict social distancing guidelines.

**If you are feeling ill or cannot follow these guidelines, please stay home and respect your fellow golfers.**

Questions or need more details? Call Linda Howell, TOWA's PGA Director of Golf 505-660-0654. We will adapt these guidelines as we see conditions improve and allow more privileges at TOWA over time. As golfers, we know how much you enjoy the game.

*Be patient, kind and respectful as we all pitch in to stay safe and well! See you soon at TOWA!*
